Do you “Like” Scottsdale Leadership? Join us on Facebook!

Last year, Scottsdale Leadership added Facebook and today 225 members of the Scottsdale Leadership community have “liked” our Fan Page. With over 800 alumni, we know we’re still missing many of you.

Why should we have a Facebook Page? Did you know that more than 400 million people are using Facebook and the average age is 37? Our Facebook Page is a great place for us to continue to build community, plan volunteer events, and even recruit the next class of Scottsdale Leadership.

We hope you'll join the conversation by adding an update to the wall, sharing a photo or link, starting a discussion, inviting friends to like us, or just visiting the page to find other alumni.

If you're not yet connected, please join us online at www.facebook.com/pages/Scottsdale-Leadership.
