

Scottsdale Leadership Class XXV Pays it Forward

Congratulations to P.E.T. Pantry by team Reigning Cats & Dogs

As part of their nine-month community leadership program, members of Scottsdale Leadership's Class XXIV formed six teams with the goal of developing a community service project that would provide them with hands-on experience giving back to the community. On April 15, the teams presented their projects during Project Pay It Forward Day at the Scottsdale Civic Center Library auditorium.

A panel of judges selected **P.E.T. Pantry** (Pets Eat Too) by team Reigning Cats & Dogs as the winning project. As a result **Concerned Citizens for Community Health (CCCH)** will receive a \$2000 donation.

P.E.T. Pantry keeps pets with their owners during times of financial crisis through a collaborative effort between Vista del Camino Food Bank, Animal Guardian Network and Scottsdale Community College. This project embraces public awareness, direct donations and practicality for food banks. For more information visit: <http://scottsdalepetpantry.org/>.

Team members: Ken Brooks, Ruth Ingall, Valarie Miceli, Scott Popp, Kelly Ries, Lisa Johnson Stone and Cynthia Wenstrom
